- Jesus Chicks relational narrative illustrates everyday women of the Gospels in a modern day context.
- Learn how normal women like, Martha, Mary Magdalene, and the Samaritan woman learned to overcome their issues and brokenness after encountering Jesus in their daily lives.
- Readers are encouraged to experience the transforming work of Jesus in their lives by applying the lessons of these ladies to common obstacles we face daily.
- Modern examples are provided at the end of each chapter highlighting inspiring women who had some amazing moments and achievements.

## BRIEF DESCRIPTION

When we think about Jesus' followers, we frequently default to Peter, James and John, along with the other nine men whom Jesus selected to be His apostles or close followers. We learn a lot about these men and even more about Jesus from their interactions with Him.

In the Gospels we're also given some really unique perspectives on Jesus based on His interactions with women. This powerful new book will encourage readers to connect with Jesus in a powerful, relevant, and daily way. So get ready for a wild ride as you learn about the regular women of the Gospels who interacted with Jesus. Sarah will show you how you can too!

Despite their differences, mutual respect and deep affection mark the tone of the relationships shared in this book. The reader will be encouraged and inspired.
