Sarah Bowling: As an internationally recognized speaker and humanitarian, Sarah is a voice of hope for many. She is a discerning teacher of the Bible and her insightful approach is as intimate as it is earthy. It equips her to deliver authentic messages wherever she speaks, empowering her audiences to connect to the Bible in their everyday living. Sarah's Bible teaching is demonstrated in her work with Saving Moses, an organization committed to identifying the urgent needs of babies and toddlers around the world where the help is least available. Compassion fuels her to develop and implement the revolutionary programs established by Saving Moses.

Sarah leads a prolific lifestyle where genuine love isn't just projected, but expressed tangibly. When she is not enjoying a nice cup of coffee, or traveling and teaching, she is busy raising three children with her husband, Reece Bowling, the pastor of Orchard Road Christian Center.

Saving Moses: Saving Moses has concentrated their efforts on providing for babies and toddlers ages five and under around the world, where the need is most urgent and the care least available.
